GRADE 12 LEARNER CHOICE QUESTIONNAIRE

HUMAN SCIENCES RESEARCH COUNCIL

To be completed by fieldworker:

To be completed by learner:						
Full Names						
Surname						
Id. Number						
Date of Birth	Y	Y	Y	Y	M	M
School Name						

Dear Grade 12 Learner

As you approach your final school exams and the end of twelve years of schooling, you are no doubt considering your options for next year and thereafter. This questionnaire forms part of a study to investigate the factors that affect the choices Grade 12 learners make in relation to:

- ☐ whether to go to university or technikon, or not
- ☐ which university or technikon to go to; and
- ☐ what to study at university or technikon.

Your school has been selected to take part in the study, and you have been chosen from amongst the Grade 12 learner group in your school to complete the questionnaire. Please would you answer the questionnaire as honestly and fully as you can. The answers you give will be treated confidentially, and will be used for research purposes only. Your responses will help us to identify those factors which affect learner choices, and will influence the ways in which universities and technikons admit students to study programmes.

If you have any questions about completing the questionnaire, please ask the field-worker to help you.

Yours sincerely
Michael Cosser
Project Manager

HOW TO COMPLETE THE QUESTIONNAIRE

- Please use a blue pen to complete the questionnaire, and mark each answer clearly.
- Please follow the instructions carefully. There are instructions before some questions and next to the answers for some of the questions.
- Please mark only one box in a list of answers unless the instruction reads "You may mark more than one box". Mark a box by placing a cross in it – for example,

x
- Where there is a scale and you are asked to rate an item from, for example, "Very difficult" to "Very easy", please rate every item in the list. If you are asked to rate your school subjects, and you feel that a subject is "Easy" but not "Very easy", you would mark as follows:

Very difficult	Difficult	Neither difficult nor easy	Easy	Very easy
1	2	3	4	5
			x
